Mike,

Thanks for speaking with me yesterday. As we discussed, I'm hoping that we can resolve the issues raised at the last status hearing amicably and find a way to work together. To that end, I proposed that Loevy & Loevy, Bursor & Fisher, Hedin Hall, and Drury Legal file a joint motion to serve as interim co-lead counsel in the Clearview matter. It's my understanding from our call that Loevy & Loevy is not currently interested in proceeding in that manner. Please let me know if I'm mistaken. Thanks.
